*Margaret With: Please continue to pray for her sister, Ann Bulla, who is undergoing a three-month round of chemo therapy. While the meds have made her feel sick most of the time, we know who has her in HIS hands and she is confident about WHO is leading her through this part of her Journey. Please pray for comfort, that she starts to feel better, and that this treatment will help her be cancer-free. Ann lives in Amarillo, TX, & we are so thankful for the wonderful care from the cancer center there!
