

THE JOURNEY Rio Rancho PRAYER REQUESTS 5/10/2026

*Teri Mayerstein: Please continue to pray for healing for her eye after from her first cataract surgery and prayers this week as she has cataracts removed from her other eye.

*Beryl Litten: Please pray for her as she recuperates at Genesis rehab in Rio Rancho from a broken bone in her lower back.

*Kathy & Louis Howell: Please pray for Louis' sister to have good test results.

*Mary Beardsell: Please pray for her coworker, Reiza, who is a missionary in Indonesia; Reiza's mother had a 3rd hip replacement and there are complications with bleeding; this will be a long recovery for her, with 3 months in a wheelchair; please pray for healing and for her financial situation.

*Janet Cabbage: Please pray for her brother, Jimmy, who has been here visiting but will travel back to NY on Monday; pray for him and his wife, Bonnie, who are going through a separation; pray for peace and wisdom and that they will seek God's guidance and comfort during this unsure time.

We continue to pray for:

*Gina Montano: A BIG PRAISE because her chemo treatments have been working and a recent MRI showed that the cancer has shrunk! She thanks everyone for their prayers!

*Margaret Gurule: A BIG PRAISE that Margaret's son, Matthew, has been reaching out to her other son, Michael, for questions he has about the Bible and his faith! Please continue to pray that both sons will listen to the Holy Spirit's leading and for more opportunities for Michael to share his faith with his brother. God is so good!

*Dee Miller: Please continue to pray for her as she is experiencing pain & health concerns.

*Stephen & Denise King: Please continue to pray for their son who is currently in Syria.

*Jan Olson: Please continue to pray for her as she continues to struggle with medical issues.
