Please pray for comfort, that she starts to feel better, and that this treatment will help her be cancer-free. Ann lives in Amarillo, TX, & we are so thankful for the wonderful care from the cancer center there!

**\*\*Please pray also for the country of Nepal and the search for survivors of the devastating avalanche and flooding there. Many people from churches founded through by the Faith Comes By Hearing organization have perished or are missing. Please pray for rescue & relief efforts, for essential needs to be made available to affected families, and for strength, comfort, protection, & hope for all affected churches and communities.**
