

THE JOURNEY Rio Rancho PRAYER REQUESTS 8/2/2026

*Dwight & Pennie York: Please pray for them as they travel to Austin, TX for the next two weeks.

*Heidi Snider: Please pray that her voice will return; while she is not sick & feels fine, she may be suffering from voice fatigue. She is very sad, but has an appointment at a clinic on Monday at 4pm. Heidi has been working in Utah, singing & acting with the Shakespeare Summer Festival the last few months.

*We also had prayer requests for Paul & Terri due to cancer; for Holly & Nicole for health; & for Rachel who is making job decisions.

We continue to pray for:

*Bob & Mary Beardsell: Please continue to pray for them as they travel.

*Margaret Gurule: Please continue to pray for Jaycob as his case is being appealed; pray that his conviction will be overturned.

*Connie Strock: Please continue to pray that God will lead her in the decision of whether to sell her house or not; pray also for her granddaughter (Bregina) & husband to be saved.

*Teri Mayerstein: Please continue to pray for her as she recovers from a spider bite & infection; also, please continue to pray for her as she gets settled into her new home.

*Denise King: Please continue to pray for her son, Kody King, who is serving our country overseas.

*Ted & Georgia Pearson: Please continue to pray for Georgia as she heals from a fall and that they will know God's plan for them regarding selling their current home and downsizing.

*Stella Medina: Please continue to pray for her niece, Danni Maestas, who will be having surgery in August.

*Mark Gleason: Please continue to pray for him as he has been diagnosed with cancer; this past week he had a good report from Dr's that his treatments will not be as difficult as he thought.

*Margaret With: Please continue to pray for her sister, Ann Bulla, who was recently diagnosed with breast cancer and will be starting a three-month round of chemo therapy this week. While she is very nervous & anxious about feeling sick all the time, we know who has her in HIS hands and she is confident about WHO is leading her through this part of her Journey. Please pray for comfort, that she feels ok, and that this treatment will help her be cancer-free. Ann lives in Amarillo, TX, & we are so thankful for the wonderful care from the cancer center there!
